

LOVE CAMP FIRE?

Refer a Family
to Afterschool

Receive up to
\$200 in credits!

Any currently enrolled family who refers a brand-new family to our services can now receive a tuition credit applied directly to their account.

CREDIT AMOUNT IS BASED ON
NEW FAMILY'S ENROLLMENT TYPE

Full Time → \$200

Part Time → \$100

ELIGIBILITY

To earn a referral credit, both the referring family and the new family must meet the following conditions:

- The referring family must be actively enrolled in afterschool services at the time the new family registers.
- The new family must be a first-time household — meaning they have not previously enrolled in or received services from us.
- The referring family's name must be provided by the new family as their referral source at the time of registration. Referrals cannot be added or updated after registration is complete.
- The credit is issued per household, not per child — one credit per new family referred, regardless of how many children enroll.
- There is no limit to how many families you can refer — each qualifying referral earns its own credit.

HOW CREDITS ARE APPLIED TO YOUR ACCOUNT

- The tuition credit will be applied to your account once the referred family has officially enrolled in Camp Fire's Afterschool Program and begun services.
- You will be notified when the credit has been posted to your account.
- Credits are applied to your tuition balance and will reduce your next invoice accordingly.
- Credits are non-transferable and have no cash value.

HOW TO MAKE A REFERRAL

- Share your experience with a family you think would be a great fit for our community.
- Ask them to include your family's name in the referral field when they complete their registration.
- Once they enroll and start services, your credit will be applied to your account automatically.

IMPORTANT NOTES

- The referring family must remain actively enrolled at the time the new family's enrollment begins. If you have exited services before the new family's start date, the credit will not be issued.
- The credit amount is based on the new family's enrollment type (full or part time) at the time they begin program.
- Credits cannot be combined with other promotional discounts unless otherwise noted.
