Corporate Sponsorship Opportunities

Camp Fire's annual Champions for Children fundraising breakfast brings together more than **600 members of the community**, both individuals and businesses, who care about supporting youth and families. It is an opportunity for those who attend to both learn more about the work Camp Fire does in the community to support youth and families, and to make a financial contribution. Funds raised during this one-hour event help ensure more youth have access to safe and enriching after-school programs, chances to attend summer camp, and opportunities to find their spark, lift their voice, and discover who they are.

Thanks to the generous support of local business partners who help underwrite the costs of the event, the breakfast is free to all who attend. We ask you to consider being one of these partners.
