**Civil Rights Law**
Camp Fire Alaska does not discriminate in the registering of children due to race, religion, color, creed, economic status, national origin, physical and mental handicap, or gender as per A.S. 18.80.230 and AMC 5.20.50 and Camp Fire Alaska by-laws.

**Inclusiveness Statement**
Camp Fire Alaska realizes the dignity and worth of each individual and works to eliminate human barriers based on all assumptions which prejudge individuals.
WELCOME TO CAMP SI-LA-MEO!

Pack your bags!

Camp Si-La-Meo is owned and operated by Camp Fire Alaska and has been in operation as a summer camp since 1963. The name Si-La-Meo is derived from the words Singing, Laughing, and Memories and it is our goal to live up to our name by providing summer days filled with songs and laughter, and creating lasting memories for all of our campers.

Gear up your camper for a week of outdoor adventures in Anchorage on the campus of Alaska Pacific University. We take full advantage of this natural setting, making every day another opportunity for campers to go marching through the forest on a hike, practice target sports, or launch a canoe from the waterfront. In addition to a huge catalog of activities, games, and regular swim time, we offer exciting field trips off to give our campers a unique opportunity to grow the skills they hone at camp every day.

Camp Fire Alaska has a variety of summer programs to match your family’s needs as well as your child’s interests and maturity level. In some cases, a mix of different camp experiences throughout the summer is the perfect choice. All of our programs provide youth with opportunities to learn new skills, challenge themselves, make friends, and create memories that will last a lifetime.

To learn more, visit www.campfireak.org or call (907) 279-3551.
Camp Groups

At Camp Si-La-Meo, campers are organized into small groups based upon age in order to maximize fun and learning. Some activities include youth from multiple age groups. These are pre-planned as leadership building activities and generally provide an opportunity for older campers to mentor or assist younger campers with adult supervision. Our age groups are in-line with the staff-to-youth ratio standards as indicated by our national accrediting agency: the American Camping Association.

Camp Sessions

Camp runs weekly from June 1 - August 7. Camp is closed on weekends. We will be hosting weekly parent lunches, when families are invited to join their camper at camp. We also have weekly field trips included for older campers.

ARRIVAL AND DEPARTURE

Check-In and Check-Out

Camp Si-La-Meo’s Check-In/Check-Out is just beyond the gate at the end of University Lake Drive (map on pg. 5).

Drop-offs after 9 am, or pickups before 4 pm, will be made with Camp Leadership near the entrance to Moseley Sports Center. We ask that parents adhere to the regular Camp Schedule to avoid disrupting program.

Arrival at Camp

Earliest check-in time is 7:30 am. You will need to check your child in every day. Accompany your camper(s) to the check-in area, where you will be assisted by Camp Staff. Staff will take this time to familiarize parents with the area, and address any outstanding needs, such as medication or paperwork.

Departure from Camp

You must present Valid ID every day before Camp Fire can release your child. Parents sign out campers at the gate and receive a Kid Tag from camp staff. Kid Tag must be returned to camp staff before campers can leave.

4-5pm Pick-Ups
Parents can walk to field to retrieve their camper from closing circle, or wait at the gate.

5-5:30pm Pick-Ups
After 5 pm, campers are brought to the gate to meet their parents.

Drive slowly and watch carefully for children. The latest time for pick up is 5:30 pm. A late fee of $15 per child, per 15 minutes, will be added to all pick-ups after 5:30 pm.

Transport Changes

To change your child’s transportation arrangement or to leave camp early, speak with the Camp Fire office or Camp Leadership Staff in advance. Any changes or emergencies in camper drop-off or pick-up times will be communicated via the Camp Fire office to phone numbers listed on registration forms.
Camp Si-La-Meo Map

Welcome to Camp Si-La-Meo! Parents should refer to buildings/markers in red, and roads in darker gray when navigating. Buildings and roads unrelated to camp are pictured here as landmarks.

Unless indicated, roads and lots are owned by private businesses and should not be used for Si-La-Meo parking.
ACTIVITY DESCRIPTIONS

Target Sports
Campers participate in archery under the instruction of a certified specialist at the camp’s shooting range. Campers learn about equipment, safety procedures, and shooting techniques.

Boating
Canoes and kayaks give campers a great vehicle to explore our natural waterways. A certified specialist experienced in small watercraft instruction leads youth with the support of staff.

Creative Arts
Campers participate in a range of creative arts such as skits and plays, songs, dance, as well as arts and crafts activities.

Field Games and Sports
Games might include traditional team sports (such as soccer and kickball), large group games (such as capture the flag), and lawn games (such as Ladder Ball and Kubb).

Hiking
Campers will be using the trails throughout APU’s campus to get to and from various camp activities. The Nature and Outdoor Living Skills Specialist leads campers in nature activities and hikes focused on Leave No Trace principles.

Outdoor Living Skills
Counselors and certified specialists lead campers through skills such as building fires, outdoor cooking, shelter making, wildlife safety, orienteering, Leave No Trace Principles, plant identification and much more!

Rock Wall Climbing
Campers are led by a belay-certified climbing specialist in learning the basics of climbing, repelling, and bouldering. These campers will get to challenge themselves at APU’s indoor rock wall. All equipment is inspected regularly and campers learn about appropriate gear including helmets, climbing shoes, harnesses, and ropes. Campers must be nine years old to participate.

Swimming
Daily swim time, skill building, and pool activities are offered in the swimming pool at APU’s Moseley Sports Center. The swimming pool has a maximum depth of four feet and personal flotation devices are available for campers who need them. Swim activities are planned by a certified instructor and camp counselors are trained to support campers. Certified lifeguards ensure that campers are safe at all times.

Teambuilding
Teambuilding activities encourage leadership, communication skills, and challenge campers to leave their comfort zone and rely on each other.

Orienteering
An orienteering specialist instructs youth on compass usage and navigating through the woods. Opportunities to go geocaching and take their navigation skills to the next level!
PREPARING FOR CAMP

Visiting Camp

If you would like to visit camp with your child before their session, please contact the Camp Phone to make an appointment. Any visitor to camp after a child has been signed into program must check in with the Leadership Staff upon arrival. For the safety of our campers and staff, Camp Si-La-Meo is a closed program, and all visits during sessions must be scheduled and approved by the Camp Manager.

Communication

The camp phone is for communication with the main Camp Fire office and with guardians. Leadership Staff will call you if there is any need for concern. Please note that your child will not have access to a phone, and non-emergency phone use is not available to campers.

Health Care & Emergencies

Leadership Staff manage the healthcare plan at camp. The healthcare plan is prescribed and reviewed annually by a participating physician. This includes a standard set of treatments for a variety of childhood complaints and simple injuries. The plan directs that the following may be used to treat campers: epinephrine autoinjector, Benadryl, Albuterol, sting relief antiseptic, antibacterial cream, Calamine, Caladryl, and burn antiseptic. If you do not wish your child to be given any of these medications, please indicate this on the health form completed during enrollment. If your child does not feel well, Leadership Staff will notify you immediately. Minor injuries which required first aid care, but are routine with children playing outdoors will be reported to you at the end of the day by your child’s counselor.

Medications

Leadership Staff and your child’s counselor will review your health history and collect any medications (over-the-counter and prescribed) that you are sending with your child. All medications (prescription and over-the-counter) that you send with your child, including vitamins, cough drops, etc., must be in original containers. Medications will be administered according to the instructions printed on the original container. Directions that are different from those on the package must be provided by a physician. Medications will be stored in the camp office. Put all medication bottles in a bag marked with your camper’s name.

Food

Parents must provide campers with lunch and two snacks every day. Do not send foods that require refrigeration or heating.

Please send a full water bottle with your camper every day. The campers are very active, and in sunny or cloudy weather, dehydration is always a concern. Refill stations are provided to ensure campers have enough water throughout the day.

Inclement Weather

Camp Si-La-Meo is an outdoor day camping program, with limited access to indoor space. In the event of rain, activities will continue as is safe to do so. Please send your child to camp with rain jacket, pants and boots if the forecast calls for rain. In the event of extreme weather, you will be called to pick your child up from camp at your earliest availability. In the event that camp must be evacuated, you will be called and notified of an alternative pick-up location.

Media Release

Occasionally Camp Fire takes photos or videos of program activities for news releases, reports, and media activities. Photos are not used without parental permission, as indicated on the registration form. If you need to modify this release, please notify the main office, in writing.

Insurance

Camp Fire Alaska carries Limited Accident Insurance which covers all participants in Outdoor Programs with a limit of $7,500 per incident. Treatment must begin within 30 days of the incident. The insurance covers claims received within 52 weeks from the date of the incident. Send all requests for reimbursement to the Administration Manager at the Camp Fire office. Camp Fire Alaska also carries General Liability Insurance with a $1,000,000 limit.

Prohibited Items

Weapons, fireworks, alcohol, drugs, or potentially dangerous objects may not be brought to camp. If these items are suspected at camp, parents will be notified and any items found will be seized and held until parent’s arrival. Pets are not allowed in camp, and must remain in cars if brought to campus.

No-Tolerance Policy

Camp Fire has a no-tolerance policy for physical violence toward other program participants or staff; use of cigarettes, alcohol, controlled substances; sexual activity; and firearms that places self, other children, or staff at risk. This applies to all staff, children, visitors, and parents while present at Camp Fire sites.

Camp Fire, at times, provides structured activities involving archery and riflery, with trained and qualified staff supervising. At no other time is any person permitted to carry any type of firearm, ammunitions and/or weapon in Camp Fire programs for any reason unless they are law enforcement officers required to carry these weapons as part of their uniform/job, and disclose this information to the Camp Fire staff. Violation of this policy will result in immediate removal from the program. Immediate suspension and/or dismissal from the program may occur. Camp Fire will act expeditiously as possible in responding to any claims. Suspension may occur even while an incident is being investigated.

Personal Property

Campers who choose to use personal belongings, sports equipment, and supplies do so at their own risk. Storage and safe-keeping of personal equipment is the responsibility of the owner of the equipment. All personal equipment used within the program must meet the program standards and requirements for safety and condition. Equipment needed is provided, so we recommend that personal property is not brought to camp. Electronic and other toys or personal items are not allowed at camp. Camp Fire Alaska is not responsible for lost or damaged personal equipment.
BEHAVIOR POLICIES

Guidance and Discipline

Camp Fire is dedicated to the development of high-quality youth programming. Outdoor program staff have a direct responsibility to ensure that Camp Fire programs are safe not only physically, but emotionally.

Camp Fire promotes behavior guidance and discipline through creating a supportive environment, developing structure and clear limits, promoting social and emotional learning, implementing skillful discipline, and addressing challenging behaviors.

Camp Fire uses positive discipline, which means staff promote desired behaviors through teaching and reinforcement. Staff will redirect or problem-solve with youth when they are not displaying desired behaviors, before restricting behaviors by taking away opportunities. Staff will never control youth with fear or punishment. We believe this approach focuses on the needs of the child and contributes positively to the child’s overall development. Staff members teach children about managing their behaviors and emotions as well as about conflict management techniques, to support them as they become responsible for resolving conflicts among themselves.

There are times when restrictions may be necessary, and will most likely be directly linked to the health, safety, or well-being of that youth or others. Camp Fire staff does not use corporal punishment under any circumstance. In the event of a child harming themselves, another child, or an adult, staff may physically restrain the child in order to ensure safety.

Inappropriate Behavior

Camp Fire does not condone behavior that threatens the physical or emotional safety of self or others; destructive behavior; behavior that is of a habitual nature to the degree that it is a detriment to the quality of the program or impedes other participants from engaging in program to the full extent; or behavior that is of a sexual nature.

Should a child display these behaviors, or be involved in such behavior incidents, Camp Fire Leadership will contact the registering parent/adult in a timely manner to share information and provide follow-up instructions. Camp Fire does not share personal information (including the names, contact information, etc.) of program participants to individuals beyond those listed as a youth’s adult contact.

If the child’s behavior is out of control and/or harmful, Camp Fire Leadership may request immediate pick up and/or a suspension. If a suspension occurs, Camp Fire Leadership may require a Behavior Intervention Plan (BIP) before the child returns to program, which is a plan to outline the supports and response necessary to eliminate unsafe behaviors. Camp Fire may also refer to and require information from a professional resource in the community for support and guidance. Open communication and full cooperation is required from the registering parent/adult.
Release to an Authorized Pickup

Camp Fire releases youth to the registering parent/adult or other persons designated on the registration form by the registering parent/adult. Additions to the authorized list can be made at any time by the registering parent. Camp Fire requires that person to show photo identification prior to the child’s release; all persons picking up a youth from Camp Fire must follow this policy regardless of frequency/longevity with Camp Fire staff or Camp Fire program attendance. Individuals under the age of 16 are not authorized to sign out a child from program. If an individual under the age of 16 attempts to do so, staff will notify the registering parent/adult who will need to make other arrangements for another qualified person to pick up the child. If an authorized or emergency contact appears to be under the influence of drugs and/or alcohol, Camp Fire staff will not release the child until another authorized adult assumes responsibility for the child.

Custody Arrangements

Camp Fire recognizes many families have unique custody arrangements. Specific court orders will be necessary in order for Camp Fire to deny access to any legal parent/adult.

We encourage families to find solutions to custody issues without putting children and/or staff in a difficult position. When a difficult position presents itself, staff will discuss the issue with both parties to find a solution which minimizes the stress for the child.

Injuries & Illnesses

Camp Fire staff will inform the registering parent/adult of any injuries or illnesses that occur during program. Staff will appropriately care for the child in accordance to their training. The registering parent/adult is responsible for submitting all bills for injuries sustained at program to the Administrative Manager at the main Camp Fire office.

Abuse and Neglect

Alaska State Statutes and Anchorage Child Care Regulations require Camp Fire to report all incidents of suspected or actual abuse and neglect of children. As required by law, Camp Fire Alaska reports such incidents within 24 hours to the Office of Children’s Services at 269-4000. In addition, if abuse or neglect were alleged to have occurred while at Camp Fire, we are required to report to the Licensing Agency.

Substance Use

Camp Fire is a smoke-free, alcohol-free and drug-free environment. Camp Fire maintains a smoke-free environment, including vehicles used to transport children. Smoking is prohibited inside any program facility, in outdoor program areas, and outside within 20 feet of openings into interior space which children access.
Registration

Camp Fire accepts children into our outdoor programs on a first come, first served basis.

A copy of current immunization record, that includes the date of most recent tetanus shot, is required for all participants prior to attendance.

For more information and to register, visit the website at www.campfireak.org or contact the office at (907) 279-3551.

Registration and Deposit Fees

Camp Fire requires a $50 registration fee per child, and a $35 deposit per child and per camp session. These fees are non-refundable and non-transferable. Payments can be made online at www.campfireak.org.

Records

Completed registration, medical and immunization records are due at the time of registration for all participants.

Two current telephone numbers where staff members can reach the registering parent/adult, as well as two local emergency contact numbers are required.

If Camp Fire staff cannot reach the registering parent/adult, they will call the emergency contact numbers. Emergency contacts are limited to the Anchorage and Eagle River area.

Credit Card Payments

Camp Fire accepts VISA, Master Card, and Discover. Camp Fire offers automatic monthly credit card processing. Registering parents/adults interested in automatic credit card processing (outside of the online system) may call our Accounts Receivable department at (907) 279-3551. These payments are charged to credit cards on the first business day of the month.

Payments

Statements are mailed on the 20th and due by the first. A $25 late fee will be charged on all past due accounts.

Confidentiality

Camp Fire staff will maintain confidentiality in regard to all children and their family information.

Scholarships

Camp Fire Alaska provides camp scholarships, called camperships, for families who have a financial need. We ask families to apply early and contribute as much as they can towards camper fees. Applications for camp scholarships and more information can be found online.
Camp Fire Alaska serves more than 5,000 youth every year through summer camps, school programs, community centers, and our Rural Alaska Program.
