Camp K Family Handbook

Our Promise

Young people want to shape the world.
Camp Fire provides the opportunity to find their
spark, lift their voice, and discover who they are.
In Camp Fire, it begins now.

Our Mission

Every child will have an opportunity to discover
the best in themselves and others in a fun, safe,
learning environment.

Since 1966, Camp K has been accredited by the
American Camp Association, meeting rigorous national
standards for state-of-the-art camp operation.

Civil Rights Law

Camp Fire Alaska does not discriminate in the registering of children due to race, religion, color, creed, economic status, national origin, physical and mental handicap, or gender as per A.S. 18.80.230 and AMC 5.20.50 and Camp Fire Alaska by-laws.

Inclusiveness Statement

Camp Fire Alaska realizes the dignity and worth of each individual and works to eliminate human barriers based on all assumptions which prejudice individuals.

WELCOME TO CAMP K!

Pack your bags!

Camp K on Kenai Lake is owned and operated by Camp Fire Alaska and has been in operation as a summer camp since 1966. Originally called Camp Kushtaka, it is Alaska's longest running, co-ed overnight camp.

Nestled along the shores of Kenai Lake in Cooper Landing, Camp K offers a variety of sessions for boys and girls ages 6-17. Campers sleep in bunk houses divided by age, and participate in traditional summer camp activities such as canoeing, hiking, archery, field games, and creative arts. Our 160-acre campus within the Chugach National Forest is "wild Alaska" with everyday opportunities to be off the grid, experience wildlife, and take in the epic beauty right outside your cabin door.

Camp Fire Alaska has a variety of summer programs to match your family's needs as well as your child's interests and maturity level. In some cases, a mix of different camp experiences throughout the summer is the perfect choice. All of our programs provide youth with opportunities to learn new skills, challenge themselves, make friends, and create memories that will last a lifetime.

ACTIVITY DESCRIPTIONS

Archery

Campers participate in archery instruction by an experienced specialist at the camp's shooting range. Campers learn about the bow and arrow, safety procedures, and shooting techniques.

Atlatls & Blowguns

Older campers may choose to develop range skills using a blowgun - a simple weapon consisting of a small tube for firing light projectiles and darts. Target Sports Specialists and Counselors teach campers safe shooting skills on an established target range. The atlatl is an ancient spear-throwing device.

Boating

Canoes, kayaks and paddle boards give campers a great vehicle to explore the open water. A specialist experienced in small watercraft instruction leads youth with the support of counselors.

Creative Arts

Throughout camp's daily activities campers will participate in a range of creative arts such as drama (skits and plays), songs, dance, and arts and crafts activities. These activities help campers to express their creativity and add more fun to their day.

Field Games

Games might include traditional team sports (such as Soccer and Kickball), large group games (such as Capture the Flag and kickball), and lawn games (such as Ladder Ball and Kubb).

Hiking

Campers hike on established trails throughout the 160-acre camp. Older campers will also have multiple opportunities to hike on established trails throughout the Cooper Landing area with weekly off-camp trips.

Outdoor Living Skills

Counselors and specialists lead campers in skill building including building fires, outdoor cooking, shelter making, wildlife safety, orienteering, and Leave No Trace Principles.

Riflery

Once campers have had the opportunity to learn basic shooting skills and safety procedures through archery, they may progress to shooting air rifles. Similar to archery, a specialist facilitates riflery activities at the camp's shooting range. Campers must be 9 years old to participate.

Swimming

Campers have the opportunity to swim in Kenai Lake under the supervision of a certified lifeguard and camp counselors. Campers are instructed on cold-water safety, play games, and pan for gold within a roped-off swim area.

Teambuilding

Teambuilding activities encourage leadership, communication skills, and challenge campers to leave their comfort zone and rely on each other.

PREPARING FOR CAMP

Communication

Camp Fire Alaska communicates updates through email, social media, and our website, www.campfireak.org. Telephone communication from camp is made by satellite or cellular phone. These camp phones are used for daily communication with the Anchorage office, and for emergencies only.

Please note that your child will not have general access to a phone, and non-emergency phone use will not be available. Campers are not permitted to bring cell phones to camp.

Please send letters to your child while they are at camp, and send pre-addressed and stamped envelopes with them so that they can share their day's adventures with you!

Parents should mail letters several days prior to the session starting to make sure a letter arrives while their camper is at camp. Address mail to your camper like this:

Camper Name
Camper Session
Camp Fire Alaska
Post Office Box 549
Cooper Landing, AK 99572

Camp Visits

For the safety of our campers and staff, Camp K on Kenai Lake is a closed campus, and all visits during sessions must be scheduled and approved by the Camp Manager in advance. If you would like to visit camp with your child before their time at camp, please contact our main office in Anchorage to make an appointment. Any visitor to camp must check in with the Camp Manager upon arrival.

Health Screening

When you arrive to check-in for camp, please be prepared to show your vaccine card or proof of a negative PCR test taken within 1-3 days of your camper's start day. Without this test, your camper will not be able to go to camp. The Camp Nurse will also review your child's health history prior to camp and will call if there are any questions or concerns. **One of these is required to attend camp.**

Gear and Packing

A list of what each camper should bring to camp is included on page 7 of this handbook, and additionally may be found online. Please label all of your camper's belongings and let your child help pack so they know what is in their bags. Campers carry their own luggage (with help) to their cabins, so packing lightly is a plus! Lost and Found items are brought to the Camp Fire office after each camp session.

Leaving Camp Early and Transportation Changes

If you need to make changes to your child's transportation arrangement or to leave camp early for any reason, arrangements need to be made with the Camp Fire office or Camp Manager at least 24 hours in advance. Campers with COVID-19 symptoms that persist longer than a day will be sent home from their camp session early. This is to ensure that all campers and staff are safe during these unprecedented times.

SETTLING INTO CAMP

Cabins

While at camp, your camper will be assigned to a group based on age and gender, and will stay in a cabin with their counselor and another group. Your camper will need to bring a pillow and warm bedding from home. The cabins do get cold at night, so please pack warm pajamas and sleeping gear.

If your child would like to be assigned to a group with a friend or relation of the same age, you must list this information on the enrollment status page during the registration process. We will do our best to accommodate these requests.

Due to COVID-19 we will be “cohorting” all of our cabin groups. Campers will move through activities, meal times etc. in their cabin groups. This will help us keep our campers safe and make contact tracing easier if there is a positive COVID-19 case at camp.

Food and Meals

We strive to serve plenty of healthy, kid-friendly food in our dining lodge. If your child has special dietary needs, please put this information on the health history form. Vegetarian options are available at each meal, and we ask that you please indicate this on your health history, so that we are able to accommodate everyone.

Healthcare & Emergencies

The Camp Nurse lives on site, managing the health care center and overseeing the camp Health Care Plan. The Health Care Plan is prescribed and reviewed annually by a participating physician. This includes a standard set of treatments and over-the-counter medications to treat a variety of childhood complaints and simple illnesses.

Please indicate if there are medications, ointments, lotions or anything else that you do not wish be given to your child by making a note on the health history form during registration.

If your child does not feel well, or if a medical need arises, the leadership staff or Camp Nurse will notify you immediately. Emergency medical care is available in Cooper Landing, and the nearest hospital is located in Soldotna. Simple scratches, bumps and bruises will be reported to you at the end of the camp session.

Medications

All medications (prescription and over-the-counter) that you send with your child, including vitamins, cough drops, etc. must be in original or prescription containers with instructions for administration. The Camp Nurse will only administer prescription medication based on the Rx instructions on the label. Over-the-counter medication will only be administered as outlined on the product’s printed directions. Any request for variation to prescription and/or over-the-counter medication administration must be provided through written instructions from a medical professional.

GETTING TO CAMP

Transportation and Check-in

Roundtrip transportation is provided from Anchorage. Please notify the Camp Fire office of your transportation plan (bus from Anchorage or parent drop-off at camp) at least one week before your session begins.

Please remain in your vehicle during the check in process. Campers and families in the vehicle will be screened by camp medical staff for COVID symptoms and your camper's vaccine card or negative PCR test will be reviewed. Once cleared, campers will be escorted to the bus.

If your child will be traveling to camp on the camp bus, you will need to bring them to the Camp Fire office in Anchorage to complete the check-in procedure. Please plan on arriving 30 to 60 minutes before departure time to check in your camper(s). This will ensure a timely departure to camp.

- Make sure that each piece of your camper's luggage is labeled, with no loose items.
- Bring the luggage to the camp trailer, which will be parked in front of the check-in area.
- We recommend a small backpack and water bottle for the bus ride to camp. Please do not pack any food for the bus ride.

Private Transportation

Refer to the schedule on our website or in the parent emails to determine when to drop off and pick up your child from camp. When picking up your child from camp, be aware that tardiness may result in your child being placed on the bus back to Anchorage! Please contact the Camp Fire office if you will be delayed in picking your child up from camp.

Teen campers providing their own transportation to and from camp will not be allowed to use their vehicle until they are checked out of camp at the end of the session. No personal vehicles are allowed in main camp. Park vehicles in the parking lot adjacent to the camp entrance. Pets must remain in vehicles. Drive slowly and watch carefully for children in and around the parking lot.

Check Out

On returning day, guardians should plan to arrive at the Camp Fire office to collect luggage 30 minutes before the bus arrives. Refer to the bus schedule on page 10 or in your camp email. Please plan to attend. If the bus will be delayed due to traffic or other unforeseen events, the adjusted arrival time will be communicated via Facebook.

Emergency Evacuation

In the unlikely event that a camp evacuation is necessary due to natural or other emergency occurrences, water and/or land transport of all campers and staff is provided through local businesses via vans and boats.

GENERAL INFORMATION

Media Release

Occasionally Camp Fire takes photos or videos of program activities for news releases, reports, and media activities. Photos are not used without parental permission, as indicated on the registration form. If you need to modify this release, please notify the main office, in writing.

Insurance

Camp Fire Alaska carries Limited Accident Insurance which covers all participants in Outdoor Programs with a limit of \$7,500 per incident. Treatment must begin within 30 days of the incident. The insurance covers claims received within 52 weeks from the date of the incident. Send all requests for reimbursement to the Administration Manager at the Camp Fire office. Camp Fire Alaska also carries General Liability Insurance with a \$1,000,000 limit.

Personal Property

Campers who choose to use personal belongings, sports equipment, and supplies will do so at their own risk! Storage and safe-keeping of personal equipment is the responsibility of the owner of the equipment. All personal equipment used within the program must meet the program standards and requirements for safety and condition. Equipment needed is provided, so we recommend that personal property is not brought to camp. Electronic and other toys or personal items should not be brought to camp. Camp Fire Alaska is not responsible for lost or damaged personal equipment.

Prohibited Items

Weapons, fireworks, alcohol, drugs, or potentially dangerous objects may not be brought to camp. If these items are suspected at camp, parents will be notified and any items found will be seized and held until parent's arrival. Pets are not allowed in camp, and must remain in cars if brought to campus.

No-Tolerance Policy

Camp Fire has a no-tolerance policy for physical violence, use of cigarettes, alcohol, controlled substances, sexual activity, and firearms that places self, other children, or staff at risk. This applies to all staff, children, visitors, and parents while present at Camp Fire sites.

Camp Fire, at times, provides structured activities involving archery and riflery, with trained and qualified staff supervising. At no other time is any person permitted to carry any type of firearm, ammunitions and/or weapon in Camp Fire programs for any reason unless they are law enforcement officers required to carry these weapons as part of their uniform/job, and disclose this information to the Camp Fire staff. Violation of this policy will result in immediate dismissal from the program. As a general rule, Camp Fire Alaska will follow the Anchorage school district guidelines when a child violates no-tolerance rules. Immediate suspension and/or dismissal from the program may occur. Camp Fire will act expediently as possible in responding to any claims. Suspension may occur even while an incident is being investigated.

PAYMENT INFORMATION

Registration

Camp Fire accepts children into our outdoor programs on a first come, first served basis.

A copy of current immunization record, that includes the date of most recent tetanus shot, is required for all participants prior to attendance.

Every child must be pre-registered and pre-paid in order to attend camp. Paperwork must be received at least two weeks prior to attendance.

For more information, visit our website at www.campfireak.org or contact the office at (907) 279-3551.

Cancellation and Refund Policy

All cancellation requests must be sent via email to registrar@campfireak.org stating the specific reason for the cancellation. Cancellations cannot be made over the phone.

If a session is cancelled, you will receive a full refund. For sessions that start in June, cancel by May 15 to receive a full refund. For sessions that start in July, cancel by June 1 to receive a full refund. Refunds are not issued for illness, vacation, non-attendance or suspensions.

Records

Completed registration, medical and immunization records are due at the time of registration for all participants.

Two current telephone numbers where staff members can reach the registering parent/adult, as well as two local emergency contact numbers are required.

If Camp Fire staff cannot reach the registering parent/adult, they will call the emergency contact numbers. Emergency contacts are limited to the Anchorage and Eagle River area.

Registration and Deposit Fees

Camp Fire requires a \$50 registration fee per child, and a \$35 deposit per child and per camp session. These fees are non-refundable and non-transferable. Payments can be made online at www.campfireak.org.

Credit Card Payments

Camp Fire accepts VISA, Master Card, and Discover. Camp Fire offers automatic monthly credit card processing. Registering parents/adults interested in automatic credit card processing (outside of the online system) may call our Accounts Receivable department at (907) 279-3551. These payments are charged to credit cards on the first business day of the month.

Payments

Statements are mailed on the 20th and due by the first. A \$25 late fee will be charged on all past due accounts

Third Party Payments: If you have an arrangement with a third party (OCS, CCA) please let us know at the time of registration.

Confidentiality

Camp Fire staff will maintain confidentiality in regard to all children and their family information.

Scholarships

Camp Fire Alaska provides camp scholarships, called camperships, for families who have a financial need. We ask families to apply early and contribute as much as they can towards camper fees. Applications for camp scholarships and more information can be found online.

BEHAVIOR POLICIES

Guidance and Discipline

Camp Fire is dedicated to improving lives for youth through developing high quality youth programming. Outdoor Program staff have a direct responsibility to ensure that Camp Fire is safe not only physically, but emotionally.

Camp Fire promotes behavior guidance and discipline through creating a supportive environment, developing structure and clear limits, promoting social and emotional learning, implementing skillful discipline, and addressing challenging behaviors.

Camp Fire uses positive discipline, which means staff promote desired behaviors through teaching and reinforcement. Staff will redirect or problem-solve with youth when they are not displaying desired behaviors, rather than restrict behaviors by taking away opportunities or controlling youth by fear of punishment. We believe this approach focuses on the needs of the child and contributes positively to the child's overall development. Staff members teach children about managing their behaviors and emotions as well as about conflict management techniques, to support them as they become responsible for resolving conflicts among themselves.

There are times when restrictions may be necessary, and will most likely be directly linked to the health, safety, or well-being of that youth or others. Camp Fire staff does not use corporal punishment under any circumstance. In the event of a child harming themselves, another child, or an adult, staff may physically restrain the child in order to ensure safety.

Inappropriate Behavior

Camp Fire does not tolerate behavior that threatens the physical or emotional safety of self or others; destructive behavior; behavior that is of a habitual nature to the degree that it is a detriment to the quality of the program or impedes other participants from engaging in program to the full extent; or behavior that is of a sexual nature.

Should a child display these behaviors, Camp Fire Leadership will contact the registering parent/adult in a timely manner.

If the child's behavior is out of control and/or harmful, Camp Fire Leadership may request immediate pick up and/or a suspension. If a suspension occurs, Camp Fire Leadership may require a Behavior Intervention Plan (BIP) before the child returns to program, which is a plan to outline the supports and response necessary to eliminate unsafe behaviors. Camp Fire may also refer to and require information from a professional resource in the community for support and guidance. Open communication and full cooperation is required from the registering parent/adult.

HEALTH AND SAFETY

COVID-19

If a camper presents symptoms of COVID-19 they will be immediately isolated and monitored by our Camp Nurse. Symptoms will be monitored closely and families will be called if the symptoms persist. Our Nurse will inform parents to pick up their campers if symptoms presented continue for an extended period of a time. Families or emergency contacts will need to pick up their camper immediately if this occurs.

Release to an Authorized Pickup

Camp Fire releases youth to the registering parent/adult or other persons designated on the registration form by the registering parent/adult. Additions to the authorized list can be made at any time by the registering parent. Camp Fire requires that person to show photo identification prior to the child's release. Individuals under the age of 16 are not authorized to sign out a child from program. If an individual under the age of 16 attempts to do so, staff will notify the registering parent/adult who will need to make other arrangements for another qualified person to pick up the child. If an authorized or emergency contact appears to be under the influence of drugs and/or alcohol, Camp Fire staff will not release the child until another authorized adult assumes responsibility for the child.

Custody Arrangements

Camp Fire recognizes many families have unique custody arrangements. Specific court orders will be necessary in order for Camp Fire to deny access to any legal parent/adult. We encourage families to find solutions to custody issues without putting children or staff in a difficult position. When a difficult position presents itself, staff will discuss the issue with both parties to find a solution which minimizes the stress for the child.

Injuries and Illnesses

Camp Fire staff will inform the registering adult of any injuries or illnesses that occur during program. Staff will contact the registering adult in the event of a non-serious injury or illness that requires medical care. Staff will appropriately care for the child until an adult can pick them up. The registering adult is responsible for submitting all bills for injuries sustained at program to the main Camp Fire office.

Abuse and Neglect

Alaska State Statutes and Anchorage Child Care Regulations require Camp Fire to report all incidents of suspected or actual abuse and neglect of children. As required by law, Camp Fire Alaska reports such incidents within 24 hours to the Office of Children's Services at 269-4000. In addition, if abuse or neglect were alleged to have occurred while at Camp Fire, we are required to report to the Licensing Agency.

Substance Use

Camp Fire is a smoke-free, alcohol-free and drug-free environment. Camp Fire maintains a smoke-free environment, including vehicles used to transport children. Smoking is prohibited inside any program facility, in outdoor program areas, and outside within 20 feet of openings into interior space which children access.

Summer 2021 HEALTH AND SAFETY MEASURES OVERNIGHT CAMP

The health and safety of our campers and counselors is our top priority

CAMP FACILITIES

Sanitation

Sanitation stations and upgraded cleaning throughout camp.

BEFORE CAMP

Testing

Unvaccinated campers and staff will be required to have a negative PCR test no more than 1-3 days prior to arrival.

Pre-Screening

Campers and staff are required to monitor and complete a daily health log for 14-days prior to arrival at camp. Everyone will be screened for symptoms upon arrival.

Vaccinations

Vaccination is strongly encouraged for anyone able to access it prior to camp.

Notification

Please notify the camp director or registrar if anyone in the household has traveled out of state or begins to exhibit any known symptoms within the 14-day pre-camp period.

AT CAMP

Cabin Groups

Activities and programs will be scheduled by Cabin Groups and by Cohorts (age groups) to reduce exposure.

Masks

Masks will be required indoors for unvaccinated campers and staff. Masks will not be required outdoors.

Wellness Checks

Each camper and counselor will complete daily temperature and wellness checks with the Camp Nurse.

Limit Outside Exposure

Camp will be treated as a "bubble" with no visitors allowed on site, except for essential business. Counselors will have limited outside exposure during their time off between sessions.

Hygiene

Continued training and emphasis on hygiene best practices including hand washing and covering of mouth and nose when coughing or sneezing.

Camp Fire has been seeking guidance from Centers for Disease Control and Prevention (CDC), the American Camp Association (ACA), Association of Camp Nursing (ACN), and Alaska Department of Health and Social Services (DHSS). We will continue to monitor recommendations throughout the summer.

COVID-19 EXPOSURE PLAN OVERVIEW

Exposure Response Plan

Below are the steps that will be followed by Camp Fire Alaska in response to actual or possible COVID-19 exposure within program based on CDC recommendations.

In the event of a confirmed COVID-19 case (someone who has been in program or the Camp Fire office) take the following steps:

- 1. Camp Fire will immediately notify local health officials.**
OSHA Health officials will help Camp Fire determine a course of action for our program(s).
- 2. Camp Fire will assess if program will need to be closed for a short period of time.**
Public health officials will help Camp Fire determine if it is necessary to close program and isolate the areas infected. Local health officials will help determine appropriate next steps, including whether a duration of extended closure is needed.
- 3. Camp Fire will communicate with staff and guardians and coordinate with local health officials to communicate closure decisions and possible COVID-19 exposure.**
- 4. Camp Fire will clean and disinfect the facility thoroughly and assess the need to do the following:**
Close off areas used by the individuals with COVID-19, wait as long as practical before cleaning and sanitizing to minimize potential exposure to respiratory droplets, open outside doors and windows to increase air circulation in the area, restrict staff from entering facility for a minimum of 24 hrs.
- 5. Program Leadership Team will assess all health and safety procedures, camp operations, and the need for increased monitoring and/or training.**
- 6. Camp Fire Executive Leadership will assess program operations after any COVID-19 exposure event.**

For a complete copy of Camp Fire Alaska's COVID-19 Exposure Response Plan, please visit our website at www.campfireak.org.
