YOUTH THRIVE HERE

For over 100 years, Camp Fire Alaska has provided a safe, nurturing place for families to send their children. At Camp Fire, children develop self-confidence by challenging themselves, exploring their environment, and building healthy relationships. Today, we are a leader in the youth development field and serve more than 5,000 youth every year.

Our Mission

Every child will have the opportunity to discover the best in themselves and others in a fun, safe, learning environment.

Our Promise

Young people want to shape the world. Camp Fire provides the opportunity to find their spark, lift their voice, and discover who they are. In Camp Fire, it begins *now*.

Scholarships

All kids deserve the chance to explore summer camp. Our **Scholarship Program** makes it possible. You can complete a quick and easy online application at www.campfireak.org. Click Family Resources in the menu bar, and navigate to scholarships.

Every year, generous patrons of our **Campership Fund** send dozens of kids to camp. To join them in making a difference with your donation, please visit our website.
