PREPARING FOR CAMP

Communication

Camp Fire Alaska communicates updates through email, social media, text message, and our website, www.campfireak.org. The camp phone is for communication with the main Camp Fire office and with parents. Leadership Staff will call you if there is any need for concern. Please note that your child will not have access to a phone, and non-emergency phone use is not available to campers.

Food

Adults must provide campers with lunch every day. Camp Fire will provide a breakfast and an afternoon snack. Do not send foods that require refrigeration or heating. Please send a full water bottle with your camper every day. The campers are very active, and in sunny or cloudy weather, dehydration is always a concern. Refill stations are provided to ensure campers have enough water throughout the day.

Health Care & Emergencies

Staff review each child's health history and collect any medications prior to program start. Parents should label all medications with the child's name, bag medications together, and be prepared to review medical history documents with program staff upon delivering youth medication.

Medications

All medications (from epi-pens to gummy vitamins) must be in their original containers with physician note, prescription label, or Doctor's note for over the counter medications. Medications will be administered according to the instructions printed on the original container. Directions that are different from those on the package must be provided by a physician. Expired medications will not be accepted. Stored medications are checked for expiration during monthly site safety inspections. Staff will return all expired medication to families, and request a fresh replacement. Safety is Camp Fire's highest priority, and we encourage parents to help program staff double check our on-site stock, particularly for high-need medications like inhalers or epi-pens.

Inclement Weather

Summer Adventure is an indoor and outdoor program. In the event of rain, activities will continue as is if safe to do so. Send your child to camp with rain jacket, pants and boots if the forecast calls for rain. In the event of extreme weather, you will be called to pick your child up at your earliest availability. In the event that camp must be evacuated, you will be called and notified of an alternative pick-up location.

GENERAL INFORMATION

Media Release

Occasionally Camp Fire takes photos or videos of program activities for news releases, reports, and media activities. Photos are not used without parental permission, as indicated on the registration form. If you need to modify this release, please notify the main office, in writing.

Insurance

Camp Fire Alaska carries Limited Accident Insurance which covers all participants in programs. Treatment must begin within 30 days of the incident. The insurance covers claims received within 52 weeks from the date of the incident. Send all requests for reimbursement to finance@campfireak.org at the Camp Fire office.

Personal Property

Campers who choose to use personal belongings, sports equipment, and supplies do so at their own risk. Storage and safe-keeping of personal equipment is the responsibility of the owner of the equipment. All personal equipment used within the program must meet the program standards and requirements for safety and condition. Equipment needed is provided, so we recommend that personal property is not brought to camp. Electronic and other toys or personal items are not allowed at camp. Camp Fire Alaska is not responsible for lost or damaged personal equipment.

Prohibited Items

Weapons, fireworks, alcohol, drugs, or potentially dangerous objects may not be brought to camp. If these items are suspected at camp, parents will be notified and any items found will be seized and held until parent's arrival. Pets are not allowed in camp, and must remain in cars in brought to campus.

No-Tolerance Policy

Camp Fire has a no-tolerance policy for physical violence toward other program participants or staff; use of cigarettes, alcohol, controlled substances; sexual activity; and firearms that places self, other children, or staff at risk. This applies to all staff, children, visitors, and parents while present at Camp Fire sites.

Camp Fire, at times, provides structured activities involving archery and riflery, with trained and qualified staff supervising. At no other time is any person permitted to carry any type of firearm, ammunitions and/or weapon in Camp Fire programs for any reason unless they are law enforcement officers required to carry these weapons as part of their uniform/job, and disclose this information to the Camp Fire staff. Violation of this policy will result in immediate removal from the program. Immediate suspension and/or dismissal from the program may occur. Camp Fire will act expediently as possible in responding to any claims. Suspension may occur even while an incident is being investigated.

Parental/Guardian Conduct

Dismissal may occur if an adult uses threatening communications or conduct towards any participant, staff member, or others associated with Camp Fire that creates an unsafe or hostile work environment. Registering parents/adults must follow the policies described in this handbook; including payment of childcare fees and late charges.

BEHAVIOR POLICIES

Guidance and Discipline

Camp Fire is dedicated to improving lives for youth through developing high quality youth programming. Outdoor Program staff have a direct responsibility to ensure that Camp Fire is safe not only physically, but emotionally.

Camp Fire promotes behavior guidance and discipline through creating a supportive environment, developing structure and clear limits, promoting social and emotional learning, implementing skillful discipline, and addressing challenging behaviors.

Camp Fire uses positive discipline, which means staff promote desired behaviors through teaching and reinforcement. Staff will redirect or problem-solve with youth when they are not displaying desired behaviors, rather than restrict behaviors by taking away opportunities or controlling youth by fear of punishment. We believe this approach focuses on the needs of the child and contributes positively to the child's overall development. Staff members teach children about managing their behaviors and emotions as well as about conflict management techniques, to support them as they become responsible for resolving conflicts among themselves.

There are times when restrictions may be necessary, and will most likely be directly linked to the health, safety, or well-being of that youth or others. Camp Fire staff does not use corporal punishment under any circumstance. In the event of a child harming themselves, another child, or an adult, staff may physically restrain the child in order to ensure safety.

Inappropriate Behavior

Camp Fire does not tolerate behavior that threatens the physical or emotional safety of self or others; destructive behavior; behavior that is of a habitual nature to the degree that it is a detriment to the quality of the program or impedes other participants from engaging in program to the full extent; or behavior that is of a sexual nature.

Should a child, parent, or registering adult display these behaviors, Camp Fire Leadership will contact the registering parent/adult in a timely manner to discuss the issue.

If the child's behavior is out of control and/or harmful, Camp Fire Leadership may request immediate pick up and/or a suspension. If a suspension occurs, Camp Fire Leadership may require a Behavior Intervention Plan (BIP) before the child returns to program, which is a plan to outline the supports and response necessary to eliminate unsafe behaviors. Camp Fire may also refer to and require information from a professional resource in the community for support and guidance. Open communication and full cooperation is required from the registering parent/adult.

HEALTH AND SAFETY

Release to an Authorized Pickup

Camp Fire releases youth to the registering parent/adult or other persons designated on the registration form by the registering parent/adult. Additions to the authorized list can be made at any time by the registering parent. Camp Fire requires that person to show photo identification prior to the child's release. Individuals under the age of 16 are not authorized to sign out a child from program. If an individual under the age of 16 attempts to do so, staff will notify the registering parent/adult who will need to make other arrangements for another qualified person to pick up the child. If an authorized or emergency contact appears to be under the influence of drugs and/or alcohol, Camp Fire staff will not release the child until another authorized adult assumes responsibility for the child.

Custody Arrangements

Camp Fire recognizes many families have unique custody arrangements. Specific court orders will be necessary in order for Camp Fire to deny access to any legal parent/adult.

We encourage families to find solutions to custody issues without putting children and/or staff in a difficult position. When a difficult position presents itself, staff will discuss the issue with both parties to find a solution which minimizes the stress for the child.

Injuries & Illnesses

Camp Fire staff will inform the registering parent/adult of any injuries or illnesses that occur during program. Staff will contact the registering parent/adult in the event of a non-serious injury or illness that requires medical care. Staff will appropriately care for the child until an adult can pick them up. The registering parent/adult is responsible for submitting all bills for injuries sustained at program to the Administrative Manager at the main Camp Fire office.

When To Keep Your Child Home

Youth who are experiencing high fevers of 100.4 or higher, colds, severe cough, diarrhea, severe ear ache, eyes that are red, draining or itchy rash, severe sore throat, vomiting, or other heightened symptoms cannot attend program. Youth can return to program when symptoms have significantly resolved and youth are feeling better. Youth who test positive for COVID-19 are not permitted to attend program. Parents are required to report positive COVID-19 cases to Camp Fire. Based on CDC guidance and Camp Fire COVID-19 policy, youth need to stay home for a minimum for 5 days in isolation from the onset of symptoms or from the day of positive test result. Youth may return to program on day 6 with symptoms resolving. Youth must wear a mask from day 6-10.

Abuse and Neglect

Alaska State Statutes and Anchorage Child Care Regulations require Camp Fire to report all incidents of suspected or actual abuse and neglect of children. As required by law, Camp Fire Alaska reports such incidents within 24 hours to the Office of Children's Services at 269-4000. In addition, if abuse or neglect were alleged to have occurred while at Camp Fire, we are required to report to the Licensing Agency.

Substance Use

Camp Fire is a smoke-free, alcohol-free and drug-free environment. Camp Fire maintains a smoke-free environment, including vehicles used to transport children. Smoking is prohibited inside any program facility, in outdoor program areas, and outside within 20 feet of openings into interior space which children access.

 Camp Fire Alaska serves more than 5,000 youth every year through summer camps, school programs, community centers, and our Rural Alaska Program.
